Senior Professional Title
(Researcher)

With 30 years of solid experience in legal practice, I have served as legal counsel for local governments, central government agencies in Wuhan, and various businesses, accumulating extensive practical experience. I specialize in administrative law, corporate law, and civil and commercial law, and have a deep understanding and unique insights into relevant laws, regulations, and judicial practice.

During my tenure as the head of legal advisory services for a central government agency in Wuhan, I was fully responsible for all legal affairs of the organization, providing comprehensive legal support and guarantees for the development of its various businesses. Meanwhile, I actively participated in the restructuring and equity adjustment processes of affiliated enterprises, safeguarding their reform and development with my expertise and dedication, earning the trust of clients.
